LUCAS STUDIO INC. : Joe Lucas and Parrish Chilcoat

Photo by Sam Frost

Joe Lucas and Parrish Chilcoat, two former Michael S. Smith designers branched out on their own to form Lucas Studio Inc. Chilcoat also worked for Suzanne Reinstein and Joe Nye, two of LA's design scene tastemakers . Their signature is comfortable, sophisticated rooms with a touch of the handmade--a great pottery lamp or Indian printed fabric. Their color palette is often unique and the rooms are inviting.
